Chapter 1

"Time to go." Tony said to the five other spartans on his fireteam, that consisted of himself, Sarah, Jack, Brian, and the man they knew only as Reaper. "Yes sir!" Came the response from all except Reaper, who only nodded. The six spartans ran from the Covenant relay tower, which Reaper had planted several charges on. "Jack, two on your left!" Brian warned his team mate, who fired his assault rifle, killing two brutes. "Thanks man!" Jack shouted back to his friend. "No problem!" Brian replied. "We got a problem!" Reaper shouted. "Oh, cra-" Sarah started to say but was hit by a brute with a gravity hammer. "Sarah!" shouted Reaper, shooting the brute in the head with his shotgun. "Tony, get your ass over here now!" Reaper yelled to Tony, who was shooting a Spec Ops elite. "We need to get out of here!" Jack shouted to his whole team. "Shut the hell up, Sarah's hurt!" Reaper shouted in reply. "Hey, I didn't know you jackass!" Jack shouted back. "Damn, you're heavy in that armor." Reaper said as he lifted Sarah onto his shoulders. "And, she's unconscious." Reaper said to himself. "Let's move!" Tony ordered his team. "Don't have to tell me twice." Brian said to himself.
